

NICHOLA LALA

I will drown you!

...and then you will become like me...
and stay with me... forever...

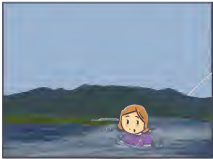

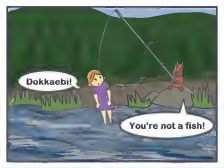

Noo!!!

A cartoon illustration of a girl with short brown hair, wearing a purple dress, standing in a blue body of water. She is holding a fishing rod that extends from the water up to a dark green hill in the background. A red dog is sitting on a rock in the water, holding the fishing line. The scene is set against a dark green background with some grass and rocks. There are two speech bubbles: one on the left and one on the right.

Dokkaebi!

You're not a fish!

Should I throw you back?

No! Help me!

Hey! Reel her in!

Oh hello Forever Alone Ghost!

Shut up smallest Dokkaebi ever!

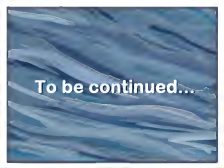

Yeah! Well you smell!

Um... guys?
Help?

To be continued...
